A valid e-mail address. All e-mails from the system will be sent to this address. The e-mail address is not made public and will only be used if you wish to receive a new password or wish to receive certain news or notifications by e-mail.

After clicking on Create new account you will get the following screen indicating that the application for approval lies with the website administrator.

You will also receive at your specified email address the following email:

Thank you for signing up for SIGNAL. Your application has been submitted to the site administrator for approval. If your application is approved, you will receive a new email containing information about log-in, setting a password and other details.

The screenshot shows the top section of the SIGNAL website. On the left, there is a logo for 'Signaal pilot project' with sub-logos for 'idewe' and 'KU LEUVEN'. To the right of the logo is the text 'Signaling New Occupational Diseases Counter'. Further right are three flags (Hungary, Italy, UK) and a search bar with a magnifying glass icon. Below the search bar are links for 'Login' and 'Sitemap'. At the bottom of the header is a navigation menu with buttons for 'Home', 'About us', 'Contact', and 'Help'.

A green-bordered box containing a green checkmark icon and the text: 'Thank you for applying for an account. Your account is currently pending approval by the site administrator. Once it has been approved, you will receive an e-mail containing further instructions.' A large red arrow points from the right side of the box towards the text.
