| Company / Institute: | AMC, Coronel instituut |
| Department: | NCvB |
| Telephone: | 020-0000000 |

Are you on the log-in page and you forgot your password, click on the Request New Password tab. You will get the following screen where you can enter your username or email address and again the answer on the math question in the CAPTCHA. Then Click Request new password. You will receive an email with a link to go to the page where you can create a new password. Then you can login with the new password.

The screenshot shows the top section of the website. On the left, the logo for 'Signaal pilot project' is displayed, featuring the word 'Signaal' in a large, black, serif font, with 'pilot project' in a smaller, black, sans-serif font below it. To the right of the text is a decorative graphic of several colored dots (pink, black, purple) and a stylized pink flower. Below the main logo are three smaller logos: 'idewe' with a blue and orange dot pattern, 'KU LEUVEN' in a blue box, and 'Nederlands Centrum voor Beroepsziekten' with a pink flower icon. To the right of the logo area, the text 'Signaling New Occupational Diseases Counter' is written in a pink, sans-serif font. Further right, there are three small flags: the Dutch flag, the Italian flag, and the British flag. Below the flags is a search bar with a magnifying glass icon. To the right of the search bar are the links 'Login' and 'Sitemap'. At the bottom of this section is a horizontal navigation bar with four buttons: 'Home', 'About us', 'Contact', and 'Help', all in blue text on a light gray background.
